# PERSONAL SERVICE CONTRACT REVIEW BOARD

## Contract Workers

- Meets requirements for a contract worker under the Internal Revenue Code, see PSCRB Rules and Regulations, Appendix B
- Contracts that cumulatively exceed \$75,000 are under PSCRB purview
- Agencies issue a new paper contract each year
  - Renewals
  - Modifications

# PERSONAL SERVICE CONTRACT REVIEW BOARD

## Independent Contractors

- If the contract worker definition under the Internal Revenue Code is not met, they are an independent contractor
- State does not pay taxes
- Independent contractor exercises control over their own work

# PERSONAL SERVICE CONTRACT REVIEW BOARD

## Renewal vs. Modification

- A **renewal** is based on optional terms contained in the contract. The renewal will add additional time to the contract term.
- A **modification** is used to change any other item in the contract (e.g. scope of services increase).

# PERSONAL SERVICE CONTRACT REVIEW BOARD

## **Renewal Terms** **for Independent Contractors**

- Are OPTIONAL
- Must be exercised prior to contract expiration
- Must be issued as an amendment or modification to the contract – not a new contract
- Contract cannot be renewed without renewal terms

# PERSONAL SERVICE CONTRACT REVIEW BOARD

## **Renewal Terms** **for Independent Contractors**

- Must be under same terms and conditions as original contract
- Need PSCRB approval (prior to contract expiration)
- If approval by an appropriate regulatory board is required, such approval must be obtained in sufficient time for the submission deadline contained in Section 7-105 to be met
- Must be submitted 30 days prior to the board meeting (applies to contract workers and independent contractors)

# PERSONAL SERVICE CONTRACT REVIEW BOARD

## Contract Modifications

- Contract cannot be modified to increase spending authority without a change in scope or an increase in the population served.
- If PSCRB approved the contract, **all** modifications must also be approved (even decreases).
- Modifications are made through an amendment (not by issuing a new contract).

# PERSONAL SERVICE CONTRACT REVIEW BOARD

## Termination of Contracts

- For contract workers, if the agency terminates a contract, the PSCRB staff should be notified and the contract terminated in SPAHRS. A termination requires Board approval, if previously approved by the Board.
- After all outstanding invoices have been paid, the requested spending authority in SPAHRS should be reduced to the amount paid.
- **After** PSCRB staff approves the reduction, the termination date should be entered into SPAHRS.

# PERSONAL SERVICE CONTRACT REVIEW BOARD

## Termination of Contracts

- For independent contractors, spending authority in MAGIC should be reduced to the amount paid and a termination date should be entered.

# PERSONAL SERVICE CONTRACT REVIEW BOARD

## **7-105 Contract Submission Dates**

- All contract packets, including any applicable PSCRB forms, must be submitted for approval in SPAHRS and by electronic submission through the PSCRB's E-Application system, in their entirety. Submission to PSCRB must be no more than 30 calendar days prior to the scheduled PSCRB meeting date in accordance with the deadlines prescribed by the PSCRB, which are published on the MSPB website, in order to be considered for placement on the agenda for board action.
- Staff approved contracts may be submitted up to 15 working days prior to the scheduled PSCRB meeting date.

# PERSONAL SERVICE CONTRACT REVIEW BOARD

## **7-106 Contract Approval and Rejection**

- Any contract submitted to the PSCRB for review and approval shall be presumed to be approved if the PSCRB does not object to the contract within 30 days of the agency's submission of the contract. If the PSCRB rejects a contract that has been submitted for review or approval, it shall clearly state the basis of its action, including, but not limited to, the policy violated and any corrective actions necessary to bring the contract in compliance with the PSCRB Rules and Regulations.

# PERSONAL SERVICE CONTRACT REVIEW BOARD

## **Right to Audit Procurement Records**

- Lowest price vendor should receive the maximum number of points allowed
- Other vendors' price divided into low price

# PERSONAL SERVICE CONTRACT REVIEW BOARD

## Formula for Evaluating Cost

1. Company A = \$150,000
2. Company B = \$160,000
3. Company C = \$180,000

Company A is low bidder  
Total evaluation points for  
price = 10

1. Company A = 10 pts
2. Company B =  
 $150,000/160,000 =$   
 $.9375 \times 10 = 9.375 \text{ pts}$
3. Company C =  
 $150,000/180,000 =$   
 $.8333 \times 10 = 8.333 \text{ pts}$

## Just a Reminder

- Conducting a Background Screening is a legally complicated issue. Remember to ***always*** check with your agency attorney before entering into any agreement to conduct background screenings or prior to using the results in your hiring decisions.

# PERSONAL SERVICE CONTRACT REVIEW BOARD

## Legal Compliance

- Federal law requires a job applicant's or a current employee's consent before an employer hires a third party to run background checks. If these searches are performed and the proper consent not obtained, there is a possibility that the employer could violate federal law and subject itself to civil penalties.

## ➤ Personal Service Contract Review Board

The Personal Service Contract Review Board (PSCRB) plays an integral role in how personal services are procured for the State of Mississippi.

The Mississippi State Legislature established the PSCRB to ensure that quality services are procured at reasonable prices, with terms that are favorable to the State and with limited risk of liability. The PSCRB develops the policies and procedures that ensure personal services are obtained in a competitive manner, and approves contracts in excess of \$75,000.

The PSCRB is responsible for administering standards for the issuance of invitations for bid and requests for proposals, and the award of those bids. It also oversees the consideration of costs and quality of services proposed, the contract negotiations, and the administrative monitoring of contract performance by agencies, as well as the necessary steps in terminating a contract. Administering standards for the procurement of personal or professional services through the use of emergency and sole-source contracts is also a responsibility of the PSCRB.

The Mississippi State Personnel Board provides administrative support for the PSCRB.

The first PSCRB meeting of FY 2016 will be Tuesday, July 14, 2015 at 9:00 AM at the Mississippi State Personnel Board office at 210 E. Capitol Street, Suite 270, Jackson, MS.

PSCRB meeting dates for FY 2016 are listed below:

## ➤ Preapproved Vendor Lists

Miss. Code Ann. § 25-9-120 established the Personal Service Contract Review Board (PSCRB) in 1997. Pursuant to this statute, the PSCRB "may establish a preapproved list of providers of various personal and professional services for set prices with which state agencies may contract without bidding or prior approval from the board."

As the need arises, the PSCRB seeks to establish a List of Preapproved Vendors of Services for use by state agencies and entities under the purview of the PSCRB (hereafter "agencies").

This page contains links to information about the various regions, services available, and preapproved providers of those services. PSCRB has developed contract templates which may be used when contracting with a provider on the preapproved vendor list. These templates are available upon request.

If you have questions about this information, please contact Faye James at 601.359.1406.
